

XM is one of the best things that I have purchased in five years. Obviously the radio lobbyists are feeling the heat from a superior form of radio. Their actions are transparent and desperate and I hope that you guys do not fall for their ploys. I would gladly double my subscription fee to keep XM and all the services that they offer. To limit them in their programing is ridiculous and unconstitutional. I know you guys will make the right desition but I felt my voice should be heard.Thanks for your time,
